

We the leaders of the 2019-2020 MSA, 1441 A.H., are driven by our desire to serve our creator, Allah (S.W.T.), in seeking His Divine pleasure. All our actions are ultimately for His sake; all successes are from His mercy and compassion, and any shortcomings are our own.

Our Mission is to foster an inspiring environment for Muslims at UBC, where their confidence and faith in themselves and in Islam is strengthened, and where they are able to grow as individuals and as leaders of future generations.

We strive towards building a compassionate, respectful, secure, loving, welcoming and just MSA for UBC Muslims, by utilizing the teachings of the Quran and the Prophet (S.A.W.) as our guiding compass. We are dedicated to helping Muslims at UBC fulfill their personal and collective responsibilities to Allah (S.W.T), and to promote a better understanding of Islam for the greater community.
